Relocation of Collateral. Grantor shall not permit any tangible Collateral to be located or relocated in any state (and, if a county filing is required, in any county) in which a financing statement covering such Collateral is required to be, but has not in fact been, filed in order to perfect the Grantor's security interest. Possession of Third Party. Where any Collateral is in the possession of a third party, the Grantor shall notify CHS immediately and join with CHS in notifying the third party of CHS's security interest and obtaining an acknowledgment from the third party that is holding such Collateral for the benefit of CHS. In the event any of the Collateral shall be delivered to a warehouseman or other bailee for storage or any other purpose, Grantor shall cause any negotiable or nonnegotiable document, warehouse

ARTICLE 4. REMEDIES UPON DEFAULT

Remedies Generally. In addition to all rights and remedies provided under any related and/or applicable documents, at any time and from time to time after the occurrence and during the continuation of an Event of Default, CHS may do any of the following:

- a) Declare any Indebtedness immediately due and payable, without notice or demand;
- b) Pursue all the rights and remedies of CHS under the Uniform Commercial Code and any other applicable laws of the State of Minnesota or any other State as designated by CHS;
- c) Pursue all rights and remedies under any other documents;
- d) Require Grantor to assemble the Collateral (and any Proceeds of the Collateral) and deliver the same to CHS at a place to be designated by CHS;
- e) Without a judicial hearing prior to such taking, enter any premises where the Collateral is located and take possession of the Collateral or remove the Collateral from such premises;
- f) Sell, transfer, or otherwise dispose of all or any of the Collateral at any time, or from time to time. CHS shall give Grantor commercially reasonable prior notice of either the date after which any intended private sale is to be made or the time and place of any intended public sale, provided that CHS need give no such notice in the case of Collateral which CHS determines to be declining rapidly in value or which is customarily sold on a recognized market. CHS shall have the right to conduct such sales on Grantor's premises, without charge, and such sales may be adjourned from time to time in accordance with applicable Law without further requirement of notice to Grantor. Grantor acknowledges that a private sale may result in a reduced purchase price or less favorable terms than a public sale, but such private sale shall, nevertheless, be deemed to be commercially reasonable. At any public sale CHS may purchase the Collateral or any part thereof free from any right of redemption, which right Grantor hereby waives. After deducting all expenses and attorneys' fees (including allocated costs of in-house counsel) incurred in assembling, taking, repairing, storing, selling, and delivering the Collateral or any part thereof, CHS may apply the net proceeds of the sale to the Indebtedness with such allocation as to item and maturity as CHS, in its sole discretion, deems advisable and shall refund the surplus, if any, to Grantor, who shall be liable for any deficiency. CHS may

sell or otherwise dispose of the Collateral without giving any warranties as to the Collateral and may specifically disclaim any warranties of title or the like, any or all of which will not be considered to adversely affect the commercial reasonableness of any sale or other disposition of the Collateral. CHS has no obligation to clean up or otherwise prepare the Collateral for sale. If CHS sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser, received by CHS, and applied to the Indebtedness. In the event the purchaser fails to pay for the Collateral, CHS may resell the Collateral, and the Grantor shall be credited with the net proceeds of such re-sale in accordance with the above procedure; and notify any Account Obligor(s) of its Security Interest in Grantor's Accounts and collect the same. Grantor will thereafter receive all Account payments as the agent of and as trustee for CHS and will deliver to CHS on the day of receipt all checks, cash, drafts, acceptances and other Account payments. Until such delivery, Grantor shall not use or commingle any Account payments and shall at all times keep all such remittances separate and apart from Grantor's own funds, capable of identification as the CHS's property. After any Event of Default, CHS and its representatives are hereby authorized to endorse in Grantor's name any item received by the CHS representing any payment on or Proceeds of any of the Collateral and may sign Grantor's name upon all Accounts, invoices, assignments, financing statements, notices to Grantor, bills of lading, storage receipts, or other instruments or documents in respect to the Accounts, the Proceeds therefrom, or property related thereto. Grantor shall promptly give CHS copies of all Account statements, accompanied by such additional information, documents, or copies as CHS may request. Grantor shall maintain all records with respect to the Accounts and with respect to the general conduct and operation of Grantor's business, including, without limitation, balance sheets, operating statements, and other financial information in accordance with generally accepted accounting principles and as CHS may request.

g) Allow CHS to exercise Grantor's remittance via ACH transaction for any of the amount owing.

Cumulative Remedies. All rights and remedies of CHS shall be cumulative, and such rights and remedies may be exercised concurrently, independently, or successively by CHS, in its discretion.

Payment of Expenses. Grantor shall pay to CHS on demand all expenses, including, but not limited to, attorneys' fees and legal expenses (including allocated costs of in-house counsel) paid or incurred by CHS in protecting and enforcing the rights of and obligations to CHS under any provision of this Agreement, including, but not limited to, its right to take possession of the Collateral and Proceeds of the Collateral from the custody of Grantor or any trustee or receiver in bankruptcy or any other person. All such expenses shall become part of the Indebtedness and shall bear interest from the date paid or incurred by CHS at the rate as stated in term on indebtedness.

Notice of Sale. Any notice required to be given by CHS to Grantor with respect to the sale or other disposition of the Collateral shall be deemed commercially reasonable if mailed, in the manner set forth below, at least ten (10) days before the time of such sale or other disposition.

ARTICLE 5. MISCELLANEOUS

Financing Statements. Grantor hereby specifically agrees that CHS may file one or more financing statements, continuation statements, effective financing statement(s) and any other central notice filings, in forms satisfactory to CHS, and Grantor shall pay the cost of filing the same, wherever filing is deemed by CHS to be necessary or desirable. Notwithstanding the foregoing, Grantor appoints and constitutes CHS its agent and attorney-in-fact to execute on behalf of Grantor any such financing or continuation statements, if necessary, and to execute and deliver any other document (including, without limitation, any governmental forms necessary to place liens on titles) necessary or desirable in perfecting CHS's lien on the Collateral.

Resolution and Authorization. Grantor warrants that signers acting on behalf of any corporation, limited liability company, partnership (all types of partnerships) or trust, that they are duly authorized to enter into and execute this Agreement on behalf of any corporation, limited liability company, partnership (all types of partnerships) or trust and further are authorized to enter into and execute any other documents in conjunction with this Agreement, including but not limited to: open account application, promissory note, transaction account or any other evidence of indebtedness as well as any other collateral or mortgage documents.

Manner of Notice. All notices and demands required or permitted by this Agreement shall be in writing addressed to the relevant address set forth above or such other relevant address as may be specified in writing by the relevant party. All notices, demands, and payments required or permitted by this Agreement shall be deemed properly made: (a) upon personal delivery, (b) three (3) business days after deposit in the United States mail, postage prepaid, registered or certified mail, or (c) one (1) business day after deposit with a recognized overnight courier, postage prepaid. Proof of sending any notice, demand, or payment shall be the responsibility of the sender.

No Waiver. No delay on the part of CHS in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by CHS of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy. No provision of this Agreement shall be waived by any party, unless such waiver is in writing, signed by a duly authorized representative of the party against whom such waiver is sought to be enforced. A waiver by either party of any breach or failure to comply with any provision of this Agreement by the other party shall not be construed as or constitute a continuing waiver of such provision or a waiver of any other breach of or failure to comply with any other provision of this Agreement.

Applicable Law. The terms and conditions of this Agreement shall be governed, construed, interpreted, and enforced in accordance with the domestic laws of the State of Minnesota, or other State, only if designated by CHS without regard to its conflict of law principles. The Grantor agrees that any action against the Grantor for the enforcement of this Agreement or any other evidence of indebtedness may be brought by CHS in any municipal, state or federal court in the State of Minnesota having jurisdiction of the subject matter, or in the State of the Grantor, at the discretion of CHS and the Grantor consents that any such court shall have personal jurisdiction over the Grantor with respect to any such action.

Binding Effect. This Agreement shall be binding upon and inure to the benefit of Grantor and CHS and their respective successors and assigns.

Assignment. Grantor may not assign this Agreement in whole or in part without the CHS's prior written consent and the Bank at any time may assign this Agreement in whole or in part. CHS may freely assign this Agreement and any of its rights hereunder.

Modification. This Agreement cannot be amended, altered or modified, unless done so in a writing, signed by a duly authorized representative of the party against whom such modification is sought to be enforced.

Severability. If any portion of this Agreement is found to be invalid or unenforceable for any reason, any court or other tribunal adjudicating the rights and duties of the parties under this Agreement shall alter, modify, or strike portions of the Agreement so that it will be enforceable to the fullest extent permitted by law and be consistent with the parties' intent. If any provision of this Agreement is held, in whole or in part, to be invalid, the remainder of such provision and this Agreement shall remain in full force and effect, with the offensive term or condition being stricken to the extent necessary to comply with any conflicting law.

Continuing. This Agreement is a continuing Agreement.

Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement. The provisions of this Agreement shall supersede all contemporaneous oral agreements, communications, and understandings and all prior oral and written communications, agreements, and understandings between the parties with respect to the subject matter of this Agreement. Each party acknowledges that no representation, inducement, or condition not set forth in this Agreement has been made or relied upon by either party.

Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be considered an original counterpart, and shall become a binding agreement when each party shall have executed one counterpart and delivered it to the other party. To the extent signed and delivered by means of a facsimile machine or other electronic transmission (including e-mail of a "PDF" signature), this Agreement shall be treated in all respects and for

all purposes as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version of this Agreement.
